California: Notice of Realty Action (NORA)

AGENCY: Bureau of Land Management, Interior.

ACTION: Conversion and renewal of concession lease and future expansion of concession.

SUMMARY: Walter's Camp, Inc., Frank Dokter, President, concessioner at the

Bureau of Land Management's (BLM) Walter's Camp concession on the Colorado River near Palo Verde, California, has submitted an application to renew the Walter's Camp concession contract. The application includes extending the term of the land use authorization and requests authorization for future expansion.

DATES: For a period of 45 days from the date of publication of this notice in the **Federal Register**, interested parties may submit comments to the Yuma Field Office, BLM, address below. Objections will be reviewed by the Field Manager, BLM, who may sustain, vacate, or modify this realty action and issue a final determination. In the absence of any action by the Field Manager, this realty action will become the final determination of the Department of the Interior.

FOR FURTHER INFORMATION CONTACT: Debbie DeBock, Realty Specialist, or Joy Gilbert, Senior Technical Specialist, BLM, Yuma Field Office, 2555 E. Gila Ridge Road, Yuma, AZ 85365, (520) 317-3200.

SUPPLEMENTARY INFORMATION: The Walter's Camp concession is currently authorized under a BLM contract, which expires on April 14, 2000 (issued under the authority of the Reclamation Act). The new lease would be issued under the Federal Land Policy and Management Act (43 U.S.C. 1701, 1732). The current concessioner has performed its obligations to the satisfaction of the BLM under the existing contract. Pursuant to the provisions of the existing concession contract, the current concessioner may be granted an extension for an additional period of years if the concessioner has substantially mitigated deterioration of improvements due to use and age. The land is not needed for a Federal purpose at this time. The proposal is in accordance with the Yuma District Resource Management Plan (March 1987), and the Ehrenberg-Cibola Recreation Area Management Plan (May 1994) which state that the BLM will continue to lease recreation areas for concessioner operation to ensure that recreation opportunities are provided for all publics. The plans also state that additional Federal lands will be available for expansion of existing concessions.

Walter's Camp, Inc., provides camping and recreational opportunities along the Colorado River. Renewal of the concession lease would allow for continued use and the proposed expansion would fulfill the increasing public demands for recreational opportunities.
